Sir,

Subject: Compounding of certain Civil Suits by Channapatna Municipality.

**** Ml 92-51-88

With reference to your letter No L 9567 dated 20 12 1950 and in continuation of this Office letter of even No dated 19 1 1951 I enclose herewith a copy of Judgement delivered by the Munsiff Ramanagaram passing a decree for Rs 1,800/- against the Municipality and in favour of Sri Narayana Swamy on the strength of the resolution passed by the Municipal council agreeing to compromise the three suits as already reported

1 The Counsel for the Municipality has opined that the Municipality can achieve nothing by going in an appeal and advises the Municipality to give effect to the Resolution of the Municipal Council

2 ~~The Counsel for the Municipality has opined that the Municipality can achieve~~ The Municipal Council is no doubt, invested with the statutory power of compounding and compromising any case, but before passing the resolutions the council should have considered the result of such resolutions

4 Even in this particular case, the council was too hasty in passing the resolution and thus they were estopped from proceeding with the suit in which a State policy was involved

5 Any how, as already opined by the Counsel the Municipality has no other go but to pay the agreed sum and settle the matter

6 As regards the Interpillation of the word piece goods" it is for the classification of the Government as to whether the word includes cloth manufactured by powerloom and handloom or not

7) The connected records and the enclosed Judgement copy may kindly be caused to be returned after perusal

Yours faithfully,

DEPUTY COMMISSIONER
